## **NORMS FOR SCHEME TO PROMOTE VOLUNTARY ACTION FOR PERSONS WITH DISABILITY**

Disability Division of Ministry of Social Justice and Empowerment has so far been administering the following five grant-in-aid schemes which are being implemented through NGOs:

2. Scheme of Assistance to Disabled Persons for Purchase/Fitting of Aids/Appliances.
3. Scheme of Assistance to Voluntary Organization for the Rehabilitation of Leprosy Cured Persons.
4. Scheme of Assistance to Voluntary Organisations for Special School for Handicapped Children.
5. Scheme of Assistance to Organisation for Persons with Cerebral Palsy and Mental Retardation.

In order to make these schemes more effective and better result oriented, it has been decided that the four schemes mentioned at 1, 3, 4 & 5 be replaced by the present umbrella schemes, which comprises of the earlier schemes and also cover the new areas in the field of disabilities. So far as the Scheme at (2) is concerned, it has already been revised.

After going through the earlier set of norms, it has now been decided that:

### *Salary / Honorarium :*

1. There should be a fixed 'Honorarium' to be paid to the personnel of the NGO instead of 'salary'. The Government would contribute 90 percent of the honorarium to the NGO.

2. As the salary structure for the personnel of NGOs has now been discontinued, every year, the recurring grant (only the Honorarium portion) of the NGO for honorarium would be enhanced by 10% of the amount released in the previous year. This would imply that every year there would be an increase in the honorarium amount of the personnel involved.
3. The amount of stipend for the hostellers will be Rs. 600 and for the locals coming from far away places during day time will be Rs. 500 p.m.
4. As regards the Transport Allowance, the same will be as follows :

C Class Cities & Rural Areas	Rs. 175 p.m.
5. An amount of Rs. 1,000 per beneficiary per annum would be admissible for medicines.
6. *Exemptions:* The norms will not be applicable in special cases such as those involving direction of High Courts and the Supreme Court, etc.
7. The scope of the present scheme has been amplified to such an extent that any voluntary action for ameliorating the plight of the disabled will be funded by the Union Government as stipulated in the Persons with Disabilities Act, 1995.
8. *Construction of Building :* The maximum admissible limit is Rs. 15 lakhs.
  - (i) Rs. 1.5 lakhs for each class room for every 10 students (or part)

These rates are meant for 60 students in the school. Pro-rata increase/decrease shall be allowed according to increase or decrease in the number of beneficiaries.
